

Mark Chapter 5

Demonstrated Power Over Demons, Death, and Disease

1. What is the most amazing thing you have ever seen Jesus do in someone's life?

2. After calming the storm, Jesus and his disciples continued across the Sea of Galilee to an area inhabited by the Gerasenes. What is significant to you about Jesus traveling to this place and performing a miracle?

3. Once released from the control of a "legion" of demons, the man asked to go with Jesus and his disciples. Why do you think Jesus told him to stay behind?

4. Have you ever had one of your heartfelt prayers answered with a "no" from God? Looking back can you perhaps see some reason(s) why He had other plans?

5. Who was Jairus and why was it significant that he came to Jesus for help?

6. Why do you think Jesus asked, “Who touched me?”?

7. Why do you think Jesus instructed the man freed from demon possession to tell everyone and yet tells Jairus to tell no one?

8. What is your “go-to” Bible verse when you are afraid? Write that verse in the space below.
